

Anybody

can

find

themselves

in

a

crisis.

We
can
help.

There are times when a short term crisis hits and you just can't do anything about it. The Peeblesshire foodbank is there to help you put food on the table when you don't know where else to turn. We can provide three days worth of food for anyone that needs it. All you need to do is get in touch with any of the groups below and ask them to refer you to us. You can pick up the supplies from us, or we can deliver to you.
